If you do not enroll during your initial enrollment opportunity, you may have an opportunity to enroll during an open enrollment event (usually held in the fall), or if you experience a life event such as marriage, birth or adoption, or loss of other coverage. You will typically have 30 days from a life event to make changes to your benefits. Contact your Payroll/Staff Benefits Coordinator as soon as a life event occurs.

For some plans you may also have an opportunity to enroll through evidence of insurability.

Flexible Spending Accounts (FSA)

Plan Description

The Flexible Spending Accounts program allows you to set aside money on a pre-tax basis to pay for eligible medical and dependent care expenses annually. You decide how much to set aside, and that amount is deducted from each paycheck before federal, state and FICA taxes are calculated so you save money on taxes.

http://www.ohr.wisc.edu/benefits/fsa/

*Fellows, Scholars, Graduate Interns/Trainees, and Post-Doctoral Fellows/Trainees are not eligible to enroll.*

You may only change your annual election amount during the year if you have a life event change in status (e.g. marriage, divorce, birth, leave of absence).

**A Health Care FSA** is used to pay for eligible medical expenses that aren’t covered by your insurance. Eligible expenses include but are not limited to co-insurance, co-payments, dental costs and vision expenses (e.g. glasses, contacts, contact solution). Most over-the-counter medications are not covered unless you have a prescription from your doctor. These expenses can be incurred by you, your spouse (same or opposite-sex spouse) and your qualifying child or relative.

You may contribute a minimum of $100 or up to $2,600 to your Health Care FSA. The 2018 plan year is from January 1, 2018 – December 31, 2018. If you have unused monies left in your Healthcare or Limited Purpose FSA on December 31, 2018, up to $500 will carry over to the entire 2019 plan year. Any amount over $500 will be lost.

**A Dependent Day Care FSA** is used to pay for eligible dependent care expenses such as after school care, baby-sitting fees, adult or child daycare and preschool.

Eligible dependents include your qualifying child, spouse (same or opposite-sex spouse) and/or relative.

You may contribute a minimum of $100 or up to $5,000 into your Dependent Day Care FSA. Plan carefully; any money remaining in your FSA account at the end of the plan year will be lost. For 2018 expenses, you have until March 30, 2019 to submit dependent day care expenses against 2018 balances.

**Enrollment and Effective Date of Coverage**

You must apply within 30 days of your appointment start date.

Coverage is effective the 1st of the month on or following the appointment start date.
