This form is to be completed when a J-1 Exchange Visitor wishes to terminate the DS-2019s of their J-2s. Terminating the J-2’s DS-2019 will result in the J-2’s program no longer being valid. The DS-2019 can no longer be used for entry into the U.S. Once the J-2 is terminated in the SEVIS system, it will not be reversed. Please ensure that there are no plans for the J-2 to return to the U.S. during the J-1 program before completing this form.

This form must be received by IFSS before the date of departure in order for the actual departure date to be entered in SEVIS. We request the form to be submitted at least 2-3 weeks prior to the departure date. IFSS cannot backdate in the SEVIS system. If the termination request is received after the J-2 has already left the US, IFSS will enter into SEVIS a date on or after the date the request was received.

This form confirms that the J-1 is aware that once the J-2 termination date has been entered in SEVIS by IFSS, the J-2 dependent can no longer return to the U.S. on their DS-2019. IFSS will not reverse the termination.
