

Appendix B: Designated Drug Collection/ Breath Alcohol Testing Sites

General Medical Laboratories (GML) has been selected by the University of Wisconsin-Madison as its vendor to conduct drug and alcohol testing. General Medical Laboratories has established collection/testing sites in various cities in Wisconsin. University of Wisconsin-Madison employees will normally be referred to the GML, Outpatient Clinic, at 36 South Brooks Street, Madison. Meriter Hospital Emergency Room may be used during night and weekend shifts or in emergencies. Other sites in Wisconsin may be available when needed for reasonable suspicion or post-accident testing. In emergencies, call the "1-800" number below at General Medical Laboratories for assistance.
